- We regret that no refunds can be made unless a replacement team can be found and no refunds will be made for any reason within 2 weeks prior to the start of the tournament.
- Please note that some of our tournaments begin to fill up by the end of February so sign up as soon as possible.
- In order to maintain a fair level of competition in our "B" tournaments, only teams that have been formed and have played in "B" level leagues during the entire season will be accepted into our "B" tournaments. We will also consider a team to be a legitimate "B" team if they originate from a high school attendance area defined as "Single-A" by the Minnesota State High School League (attendance 500 or fewer) or if they are the second (or lower) team from an association that sponsors more than one team in its specific age division. The coach and/or program official for your program may be asked to provide verification of the level of play for teams registered in a "B" tournament.
- Any "All-Star" or "Tournament" team consisting of players selected from more than one league team will be considered a "B" team unless documentation is provided verifying that all players involved are from a "B" league.
- The Tournament Director will send schedules, rules, and maps at least one week before the tournament start date. Teams are responsible to notify VAA tournament registrar of current/updated contacts at least 2 weeks prior to scheduled tournament date. If you do not provide VAA with current contact information you will risk delaying the communication of tournament information to all teams. VAA's objective is to provide all teams tournament information at least 10 days before the tournament.

We wish to enter the 2012 Apple Valley Traveling Baseball Tournament. Enclosed is our check payable to VAA. (One check for multiple entries is acceptable. Please photocopy or duplicate this form, and submit a separate form for each team entered.)
